About

narasindo tours sumatra

We are proud of ourselves as a tour operator who has received the award as the "Best Travel Agency" because we have been successful in supporting the development of tourism in Sumatra by bringing foreign tourists to this area. In addition, we are also proud to be the owner of the fleet of very decent and comfortable tourist transportation.

Who We Are

Narasindo Tours was established in early 2002 by Hadi Nasution (HADI) as Managing Director, having more than 20 years of valuable experience in the travel industry. Creating reliable products by providing competitive prices and a consistent high level of service to meet & exceed our clients' expectations.

Excellent track records and relationships with all tourism stakeholders, hotels, and other suppliers have encouraged us to grow to the level of leading inbound tour operators throughout the island of Sumatra.

Our strong perseverance and supported operational strengths, consisting of 50 highly dedicated staff with trusted team experience, have successfully managed Group Serial and independent tour bookings, incentive tours from all tourist-generating countries from all over the world.

We achieve the award for "Best Travel Agency". We will bring you to Discover Indonesia especially the island of Sumatra, to enjoy an exciting experience.

Company profile

NARASINDO TOURS & TRAVEL was founded in 2002 and located in Medan - North Sumatra, Indonesia. We are one of the leading Travel Company in Sumatra. We have a business license issued by the Ministry of Tourism, Republic of Indonesia. We are also an active member of several organizations of Tourism such as ASITA and Umroh /Pilgrim Tour Operator Association.

Our main business is organizing tour visiting the most interesting tourist attraction in Indonesia

especially in Sumatra. We were also able to prepare MICE, Hotel Room Reservation, providing comfortable tourist transports, Ground handling agent for Cruise Ship and also organize Religious Tour/ Pilgrim trips to Mecca

Our segment markets are Malaysia, Singapore, Europe, America, Middle East, Australia, Asia, and Domestic.

Sustainability

In the tourist activities, Narasindo will be responsible in the environmental sustainability. By way of constantly reminding its customers to comply with a rule that was published, "Travelers are prohibited destroying or taking any of the destinations visited except take the memories and do not leave anything except footprints"

Narasindo Tours will comply with all relevant environmental laws and regulations and go beyond compliance by integrating the values of sustainability, stewardship, and resource conservation into our activities and services. We will make decisions to improve the long-term quality and regenerative capacity of the environmental, social, and economic systems that support the Narasindo's activities and needs. We will engage in pollution prevention activities and develop and promote practices that maximize beneficial effects and minimize harmful effects of operations, and activities on the surrounding environment. We are committed to assessment of the environmental impacts associated with our activities and services, and we will develop and track measures of our progress.

Social Responsible

Narasindo Tours is committed to playing a constructive and collaborative role as a responsible environmental citizen in the life of the surrounding community. We will maintain a positive and proactive role in communicating with the surrounding community, especially the Tourism community, regarding our environmental activities and performance. Herein we aim to increase awareness towards biodiversity conservation and the implementation and management of proper sustainability tourism.
